FIORELLA
THE FLOWER BOUTIQUE
Forever Roses
The epitome of beauty and artistry, these real flowers have a lifespan of one year. We bring them to you all the way from the beautiful country of Ecuador, one of the 1st exporters of fresh-cut flowers around the world.
Care
Give these beauties a room-temperature spot, snug inside their original box.
Do not water them, they're allergic to too much humidity, direct sunlight, and scorching heat.
A gentle dusting every now and then is all the love they need.
Their original box is their safe-space keep it exclusive - do not place anything else in there.
