Brand: Ledor
About: Ledor Belgian Chocolate is a luxury Belgian-chocolate boutique based in Delhi that began in 2020, offering premium couverture chocolates, exquisite desserts, and a café experience under the umbrella of Ledor World.

The brand tone is refined, indulgent, and sensory — evoking a sense of decadence and pure luxury. It strikes a balance between gourmet craftsmanship and warm, experiential indulgence. Visually and aesthetically, Ledor leans into understated luxury: muted rich tones, clean typography high-quality photography that highlights texture and detail, elegant packaging, and thoughtfully designed café interiors with a continental flair.

Services: Social Media Management, Packaging of all products, Logo design for Ledor World

The Origin

According to a popular legend, the ancient Roman Julius Dragatus created the first dragée when he accidentally let an almond fall into a pot of honey!

Among the oldest candy traditions in the world, dragées are a synonym for the promise of good fortune and prosperity.
